School Associated COVID Cases New Cases: 1

Cumulative Cases: 2

Populations Affected: Staff & Student

Hello Trojan families and staff,

We have been made aware of a positive COVID-19 case at Cedarville High School. The affected individual is under quarantine. The LMAS Health Department is investigating the case and will conduct contact tracing to determine close contacts. Those identified as close contacts will be contacted directly by LMAS and receive instructions on what to do next. In accordance with HIPAA and FERPA laws, health information is private, and we will not provide specifics about the cases. We ask that all students and staff fully cooperate with LMAS which will prevent further spread of the disease in our community. If you are contacted by the LMAS and placed under quarantine or isolation for a COVID-19 infection, please let the district know and present the letter that was given to you by the health department.

Please remember to practice the 3 Ws:

- *Wear a mask covering your nose and mouth
- *Watch your distance
- *Wash your hands with soap and water frequently for at least 20 seconds

Thank you,

Bob Lohff
Superintendent/6-12 Principal
