Re: School Update

Prom

LCCS will not be hosting a prom this year. It is unfortunate we can't provide that experience for our students but with the current pandemic still in effect, we feel not having a prom is the safest route. With that being said, the students are planning to have a prom that is not "sanctioned" by the district. The students have every right to pursue this, but I want it to be clear that the district is not supporting this in any way.

Graduation

Seniors last day of school will be May 21, 2021. Graduation will take place in the John Duncan Gymnasium on Saturday, May 29, 2021 at 11am. The gymnasium capacity is 300. We do not anticipate going over this number for graduation. All attendees must wear a mask and socially distance.

Extended School Year (Summer School)

Les Cheneaux Community Schools will be offering a program this summer for students in grades K-8. Students in grades 9-12 will have the opportunity to take credit recovery courses. More information to come on this.

Athletic Collaboration with DeTour

It was recently decided that Cedarville and DeTour will collaborate sports teams beginning in the Fall of 2021. This will include all sports programs in grades 9-12. The mascot will be "The Islanders" and the colors will be "Black, Silver, & White".
