Dear Students, Parents, and Guardians:

Governor Whitmer announced this evening that high schools (grades 9-12) are to suspend in person learning, and switch to virtual learning. This goes into effect on Wednesday, November 18th and ends on December 8th. To be clear, this only applies to students in grades 9-12. Students in grades K-8 can continue with in person learning.

In addition to in person learning being suspended, all athletics are suspended as well. This is effective immediately and will go through at least December 8th.

A virtual class schedule was released last week for students in grades K-12. There is a high probability that the schedule that was released will be altered for students in grades 9-12. An updated schedule will be sent out to students and parents prior to Wednesday.

In closing, I urge you to follow our Facebook page and school website for future updates. One thing that this pandemic has shown us is that things can change in the blink of an eye. As always, if you have any questions, please feel free to contact me at any time.

Sincerely,

Bob Lohff
Superintendent
